Full day Dissemination Events Spring 2018

Keele Univeristy 18 March	Learning through Listening: Creating open spaces for interdisciplinary dialogue This one-day workshop explored pedagogies of listening and one-to-one communication, and the urgent need for the development of listening skills and the creation of spaces and environments for interdisciplinary and inter-cultural dialogue within higher education, in order to work toward a more sustainable society and future. The workshop drew on the resources and experiences of the HEFCE Catalyst funded teaching innovation project 'Unmaking Single Perspectives: a Listening Project' at Keele University. https://www.keele.ac.uk/listeningproject/projectevents/disseminationevents/ Full Programme
London South Bank University 19 April	
Edinburgh Univeristy 23 April	
Lancaster University - 12 July	*Legacy event* requested by the Educational Development Department for team CPD

Short Dissemination Events at other conferences 2018
