Previous Open Day

Sign-in on ARRIVAL

On arrival, please head to the sign-in point at Chancellor's Building. There will also be an additional sign-in point at the David Weatherall Building. See map on pages 10-11.

Visit your SUBJECT AREA

Our academic areas are offering activities throughout the day, including talks and drop-ins (see pages 12-15 for schedule).

Join a TOUR

Explore the campus with our Student Ambassadors on a guided campus tour, departing from Union Square. There are also self-guided options to see our accommodation too (see page 6-7).

Complimentary Refreshments

Take a BREAK

Need a pit stop? Free refreshments will be available in Chancellor's Building throughout the day. We also have a range of catering outlets around campus (see map on pages 10-11.)

Meet our SUPPORT TEAMS

From day one, our focus is you. Head to the Chancellor's Building to meet our support teams, who offer help and advice with everything from health and welfare, financial guidance, disabilities and inclusion, and counselling and mental health. The marketplace will be available from 09:00-16:00.

Explore KEELE

With 600 acres to explore, there is plenty to see and do on campus. And whilst you're here, why not explore the local area too? (see page 18-19 for more).

Student Support

We have a range of specialist support teams that are available to all students, to provide advice and guidance throughout your student journey. Here's some information about our different teams and what we can help with:

Student Experience & SUPPORT

Welfare issues, engaging with your studies, exceptional circumstances, personal or domestic issues.

Disability Support & INCLUSION

Learning disabilities, long term health conditions, physical disabilities, reasonable adjustments.

Useful INFORMATION

In case of emergency

Contact the nearest member of staff or Student Ambassador. In the event of a fire alarm please vacate the building immediately by the nearest exit. Do not use the lifts and remain outside until informed that you can re-enter by a member of staff.

Photography & filming

Photography and filming may be taking place on the day, this will be used in future Keele University printed and digital publicity. Please let the photographer or member of staff know if you do not want to have your photo taken, or to be filmed.

Support for visitors with disabilities

If you, or anyone coming with you, have specific support needs, please let us know in advance of the day and we can make suitable arrangements.

Staff from our Disability Support and Inclusion team are available inside the Chancellor's Building if you wish to chat to them.

Quiet Room

A quiet room is available in the Chancellor's Building, room CBA0.001, for visitors needing a quiet place to sit.

Explore campus

Everything is on your doorstep at Keele, with the most important services and facilities gathered at the centre of campus.

We will be running Student Ambassador led campus tours throughout the day. Tours depart regularly between 09.00-15.00 and last approximately 45 minutes; just come along to our campus tour tent (see map on pages 10-11) at any point and you will be able to book a slot on a campus tour during the day. If you would like to explore our campus on your own, here are some suggestions of areas to visit.

Keele HALL

The Hall has a long and colourful history; it provided a home and a place of exile for a Russian Grand Duke in the early 1900s and was requisitioned by the army during World War II.

It is now used extensively for conferences, University events and activities, is home to the Institute of Liberal Arts and Sciences, and provides a spectacular venue for weddings.

Woodland WALKS

Explore our three woodland and lake walks starting by Keele Hall, including an all-weather trail suitable for wheelchair users. Two trails are over uneven terrain so suitable footwear is advised. Please take care by open water.

Low Carbon ENERGY PARK

You won't spot this from the centre of campus, but just past the Science and Innovation Park is our Low Carbon Energy Park, which is home to 12,500 solar panels and 2 wind turbines - generating 50% of our electricity requirements!

State-of-the-art FACILITIES

Take a peak at our state-of-the-art facilities; whether it's our Central Science Labs, Gaming Lab, or Business School - we're proud to have these world-class facilities on our campus.

Science & INNOVATION PARK

Take a stroll through our Science and Innovation Park - a vibrant community for businesses to collaborate and grow together, and where many of our students gain early career experience.

Keele OBSERVATORY

Our on-campus observatory is home to the 145-year old 31cm Grubb refractor, used by Einstein when it was at Oxford.
